

LLOYD MATS

# PROTECTOR MAT

## PRODUCT LINE FACT SHEET

*Custom fit clear protection*

### CLEAR VINYL CONSTRUCTION

- Durable 80 mil. thick clear vinyl material.
- Complete protective coverage for areas not available from other tray and liner products.
- Non-glare, textured, and skid-resistant surface.
- Clear protection reveals floor color.
- Flexible high quality material allows for a better fit.
- Aggressive nib backing keeps mats safely in place.
- Won't wrinkle or crack, even after years of use.
- Custom protection without the look of rubber.

### DESIGN FEATURES

- Clear vinyl material allows the beauty of the original vehicle floor to show through.
- Easy to clean by simply wiping off, or using the quick spray of a hose.
- 5 year Lloyd Mat limited warranty against defects in design, workmanship, and materials.

### SAFETY FEATURES

- Mat fasteners are used with all Lloyd Mats' products
- Factory compatible retention hardware is included for vehicles with a factory installed anchor device.
- A proprietary Lloyd Mat Fastener is included for vehicles with no pre-installed mat fastening device.

### CUSTOM FIT PATTERNS

- Over 11,000 unique floor pattern designs.
- All cars, trucks, vans, SUV's, and crossovers.
- Trunk mats available for most passenger cars.
- Patterns available for most SUV and van cargo areas.

*Protector Mats should not be placed over other floors mats. Protector Mats are designed as a stand alone mat item. Protector Mats are equipped with anchoring devices to keep them securely in place. These devices may not work properly if Protector Mats are used over another accessory floor mat.*
